## FROM THE MAYOR'S CORNER

Dear Surfsiders,

The 2005-2006 budget process is nearing completion, and for the upcoming fiscal year Surfside's millage rate will be unchanged. The Town has been well managed and has run at a

surplus this year. The Town Commission has decided that the surplus will be used to offset the very recent and large cost increases charged to Surfside and other communities, by Miami-Dade County's Water and Sewer

Department, from whom these essential services are contracted. Therefore, for the 2005-2006 fiscal year, the increased costs will not be passed on to the residents' water and sewer bills.

After many months of negotiations, a contract was finalized and approved by the membership of the Police Union by a near unanimous vote. I am very proud of the progress that we have made and this contract will ensure that the Surfside Police Department is an economically competitive place to work. This will allow us to continue to attract and employ highly qualified personnel. My congratulations to Town Manager, Jeff Smolansky and his staff, to Jim Baker, our labor attorney and to Deputy Chief Shawn O'Reilly for their outstanding leadership and commitment to achieving a mutually satisfying agreement.

Please join me in thanking all of the outstanding officers who comprise the Surfside Police Department. Their service to us is excellent. Please assist the fine men and women of the Surfside Police Department in their endeavors to keep us all safe – report crimes if you see them!

Surfsiders, the Hurricane season is a little more than half over. Keep a stock of 10 days worth of canned food to eat and 1 gallon of water per person per day to drink. The 18 inch thick walls of the Town's first water tower is incorporated into Town Hall and this area serves as a

## The Surfside Community Center Project Moves Forward!

At a Special Commission Meeting held on Wednesday, September 28, the Town Commission voted to renovate the Surfside Community Center. On a portion of the vacant property adjacent to the current structure, the Town will

add a 2 story, multi-purpose building which will house a modern, larger library. The pool will be re-done and the surrounding deck area will be re-designed.

## Surfside Police "Officer of the Month" Award

Detective Tammy Pedre is assigned to the Criminal Investigations Division of the Surfside Police Department. In addition to her prescribed duties, Detective Pedre is a member of a multi-agency task force charged with eradicating dangerous criminals from the streets of Northeast Miami-Dade County.

Detective Pedre is being recognized for her outstanding courage, investigative skills and initiative. Her efforts during two separate incidents, led to the apprehension of three armed and dangerous criminals who routinely target the innocent citizenry of Northeast Miami-Dade County.

A hearty thank you and congratulations are extended to Detective Pedre!

hurricane-proof command and communications bunker. The Surfside Police do not evacuate. The Department's Alpha Bravo Team members remain on duty throughout the duration of the emergency. They ride out the storm in the Town Hall bunker. They are the first responders on the street after a hurricane, to ensure our well-being, survey any damage, and protect our homes and businesses.

Please take the time to personally thank a Surfside Police Officer for their law enforcement efforts and dedication to our community. Their presence is extraordinarily welcome and is to be appreciated by all of us.

## 2005 - 2006 FISCAL YEAR BUDGET HIGHLIGHTS

Although the Town received large utility cost increases, the property tax millage rate will remain at 5.603. The annual garbage fee for the Town will be raised by 2.7% by Miami-Dade Solid Waste Management. The sewage disposal fee will be increased by 20% and the Water and Sewer

Authority (WASA) has proposed raising the water fees by 40%. The Town Commission has agreed to increase the Town's subsidy to offset the higher costs. Therefore, residents' garbage/trash and water/sewer rates will remain the same.

## Florida Missing Children's Day

Monday, September 12, 2005 was Florida Missing Children's Day. The annual event is held in front of the Capitol Building in Tallahassee. The speaker's at this year's event included, Governor Jeb Bush, John Walsh (Host of America's Most Wanted) and Commissioner Guy M. Tunnell of the Florida Department of Law Enforcement.

Deputy Chief Shawn O'Reilly and Lieutenant Manuel Crawford made the journey to Tallahassee to represent the Surfside Police Department. The Surfside Police Department is a strong proponent of statewide child safety legislation and is committed to protecting our children.

Several parents and family members of missing or deceased children were on hand to remember Florida's missing children. Deputy Chief O'Reilly and Lieutenant Crawford were honored and

humbled to be present at the ceremony. Deputy Chief O'Reilly said, "It was heartbreaking to witness the endless parade of parents and loved ones placing a single yellow rose on the photos of the missing children." Lieutenant Crawford added, "There was not a dry eye in the crowd."

To report a missing child, please contact the Surfside Police Department (305 861-4862); then call, the Missing Children Information Clearinghouse at 1-888-FL-Missing or 1-888-356-4774.

## Police Department Promotes Officer Rolando Baldomero to Lieutenant

In a ceremony held on Monday, September 19, the Surfside Police Department promoted Officer Rolando Baldomero to the rank of Police Lieutenant. Rolando has an impressive law enforcement lineage; his father and grandfather were both police officers in their native country of Cuba. A military school graduate, Lieutenant Baldomero

has been a Florida resident for 45 years. Surfside will benefit tremendously from the vast amount of experience Rolando has acquired throughout his career. During his twenty-two year tenure with the North Miami Beach Police force, he was in charge of the Detective Bureau, the Crime Prevention Unit, worked Internal Affairs, retired with the rank of

Captain and was a member of their reserve for another 14 years. Prior to his joining the Surfside Police Department, Lieutenant Baldomero managed a security company and became a Certified Protection Professional from the American Society of Industrial Security. This busy, trilingual man (Spanish, Italian and English) is also an independent, Certified Polygraph Examiner. He has provided this service to local and international police agencies.

Lieutenant Baldomero will be in charge of Patrol Operations and is looking forward to making a difference in Surfside. He loves his work and the challenge of his new position. Says Baldomero, "I see we have a lot of talent in the Surfside Police Department and we will be utilizing this talent for the benefit of the entire community."

*(L to R) Deputy Chief Shawn P. O'Reilly presents a Certificate of Promotion to Lieutenant Rolando Baldomero.*

## THANK YOU SURFSIDERS!

The Town of Surfside thanks all of its residents who sweep debris from the front of their properties and bag it for collection. We appreciate your assistance. The continuation of the sweep and bag process supports the Town's efforts to ensure an attractive and neat appearance throughout the residential neighborhood.

Please remind your landscapers to remove your tree cuttings. The Town is not responsible for collecting this material.

## Code Compliance Procedures

After a storm has passed, as a safety precaution, residents are encouraged to remove hurricane shutters or boards from their windows and doors. Shutters and boards can serve as an access/escape impediment. In an emergency situation,

residents need to be able to exit their homes quickly. Rescue personnel must also be able to gain entry to a home to provide immediate victim assistance should it be necessary.

## More Traffic Circles in Surfside?

A little over a year ago the Town of Surfside installed traffic calming devices at the corner of Bay Drive and Dickens Avenue, and at 95th Street and Byron Avenue. The traffic circles were introduced to deter rampant vehicular

speeders and stop sign violators. The Town Commission has budgeted for the installation of additional traffic control devices, and they would appreciate receiving your input as they consider this issue. Would you like to see additional circles installed in Town? If yes, where should they be installed? Please send your comments to Jody Roodman, by fax (305) 861-1302, by mail 9293 Harding Avenue, Surfside, FL 33154, or e-mail: [jroodman@townofsurfsidefl.gov](mailto:jroodman@townofsurfsidefl.gov). You may also use the BetterPlace link on the Town's website ([www.townofsurfsidefl.gov](http://www.townofsurfsidefl.gov)) to express your viewpoint.

On Friday September 16, the Town of Surfside enjoyed a night out at the ball game with the Florida Marlins. Surfside residents cheered and chanted, loud and hard, for our home team! Although it was an upsetting loss to the Phillies, it did not damper the spirit of our Marlins' fans, particularly when Surfside resident Kevin Lynch managed to catch a foul ball!
